The [Transparency in Coverage Final Rules](#) require certain group health plans to disclose on a public website information regarding in-network provider rates and historical out-of-network allowed amounts and billed charges for covered items and services in two separate machine-readable files (MRFs).

The MRFs for the benefit package options under the Inova Health System Health and Welfare Benefits Plan are available here: [Machine Readable Files](#)

More information about these files is available in the link.

This file is not designed as a consumer tool. Members are encouraged to use the more member-friendly price estimator tools available through [Aetna](#).
