

TEAM MEMBER LEAVE of ABSENCE (LOA) RESPONSIBILITIES

for Family & Medical Leave (FML) ~ Inova Medical Leave (IML) ~ Short Term Disability (STD) ~ Paid Parental Leave (PPL)

1. KEEP YOUR TEAM LEADER & HR BUSINESS PARTNER (HRBP) INFORMED OF YOUR LOA STATUS

- Keep your Team Leader and HRBP informed of your anticipated LOA. You are not required to disclose the details of why you are taking leave but must report how long you intend to be out on leave, your first day absent and when you expect to return to work.
- Discuss a transition of work plan to ensure there is the right coverage and support for your normal work responsibilities.
- To contact HR at any time prior to or during your absence period, submit your inquiry to the Inova HR eServices Center by calling: 703-205-2166 or by emailing: eservices@inova.org
- Confirm your exact return to work date to your Team Leader and HRBP so that your employment assignment can be returned to Active Payroll Eligible status in Oracle and to regain access to Inova systems/email.

2. TIMELY SUBMISSION OF ANY REQUIRED CERTIFICATION & SUPPORTING DOCUMENTATION

- **The “Certificate of Health Care Provider” must be completed and signed by the treating physician within 15 days and sent to The Hartford via fax: 833-357-5153, or by mail to: The Hartford; P.O. Box 14869; Lexington, KY 40512.**
- If the required paperwork is not returned to The Hartford in a timely manner, your leave determination will be delayed and/or denied, and, if applicable, any STD pay and/or PPL pay from Inova will also be delayed. **Please note, once The Hartford receives any documentation, the review process could take up to 5 business days after the receipt of that information before any determination can be made.**

3. REPORT YOUR FIRST DAY of LEAVE & DATE of DISABILITY/DATE of DELIVERY TO THE HARTFORD

- **You must provide The Hartford with your last day worked, first day of leave and your date of disability/date of delivery (as applicable).** The Hartford will not process your STD and/or PPL claim until they have received confirmation of your date of disability or method of delivery, and child’s birth or placement.
- If you are not physically able to contact the Hartford on your first day of STD, designate a family member or friend to contact The Hartford on your behalf to confirm your leave has begun and to report your date of disability.

4. USE YOUR ACCRUED PTO (or EIB as applicable)

- **Accrued PTO (or EIB) is to be used during any unpaid FMLA and/or state leave period unless otherwise mandated by state law.** Once PTO or EIB is exhausted, any remaining portion of the FMLA leave will be unpaid.
- **The first 7 days of STD is an unpaid, elimination period prior to the start of paid STD.** You are required to use PTO days (if available, and except where requiring use is prohibited by law) or EIB (if applicable) to satisfy the elimination period.

5. SET UP YOUR HARTFORD CLAIMS PORTAL ACCESS

- **Register on The Hartford MyBenefits Claims Portal at www.thehartford.com/mybenefits** to access up-to-date claims status information and to upload any missing supporting medical documentation.
- Set up your profile to receive text or email communications. **Do not use your Inova email for leave communications.** While on LOA, you will not have access to Inova email nor internal Inova systems.

6. UNDERSTAND YOUR PAY WHILE ON LOA

- **FMLA, State and Military leaves are unpaid,** unless concurrent with STD or you are eligible for a state paid leave benefit. Accrued, unused PTO will be applied to cover your unpaid leave period.
- **All approved STD amounts (6 weeks, inclusive of the elimination period) will be paid by Inova at 100% at base pay rate.** Any necessary and approved STD beyond 6 weeks will be paid at 66.67% (beginning the 7th week) and up to 19 weeks.
- If you experience an interruption in pay while your STD extension is pending, your STD pay will be retroactively processed for payment upon the approval of the claim extension.
- **All approved PPL amounts (4 weeks) will be paid by Inova at 100% of base pay.** FTE is considered and pro-rated to account for a normally scheduled work week period so as not to exceed a 4-week paid leave benefit in any circumstance.
- If eligible for a state paid family leave benefit, once the paid Inova leave period ends and if planning to take the additional weeks of LOA under the state paid leave program for Child Bonding, you will be unpaid by Inova during that time and cannot use PTO to cover that absence period.

7. APPLY FOR ANY STATE PAID MEDICAL OR FAMILY LEAVE BENEFITS (as applicable)

- Your work State may have a paid leave benefit for medical or family leave which runs concurrent with FMLA, STD and/or PPL. Check your eligibility with your State and file directly with the State benefit program. If you work in CT, MA, or NY, The Hartford will assist you with the State Paid Leave application process and process payment for that benefit (upon approval).
- If eligible and approved to receive a State Paid Leave benefit for medical or family leave, your pay from Inova for your approved STD and/or PPL period will be automatically offset by the maximum State benefit to account for pay you are eligible to receive from your State program.
- Provide HR with the State confirmed approval period and actual benefit amount so the correct offset can be applied.

8. UNDERSTAND YOUR BENEFITS COVERAGE WHILE ON LOA

- While on paid leave, there will be no disruption of benefits coverage and premiums will continue to be paid through payroll deductions from your Inova paycheck along with Inova provided life insurance and long-term disability insurance.
- Contribution deductions will continue from your Inova paycheck for 401k/403b/457b and HSA (as applicable) as well as premiums for supplemental insurance for you, your spouse/domestic partner and children, buy-up LTD, AD&D insurance, and legal plan (if any).
- In some cases, while on unpaid leave from Inova, you may be direct billed for your benefits, or have catch up payments in arrears for premiums upon your return to work. Additionally, if you fail to return to work following FMLA Leave, Inova will recover any premiums it paid to maintain your health coverage. If you have questions about direct billing or any catch up benefits payments, please contact the Inova Benefits Center at 877-466-8201.

9. CONTINUE to PROVIDE SUPPORTING MEDICAL DOCUMENTATION from YOUR TREATING PHYSICIAN

- Ensure your treating physician completes and returns all applicable paperwork as soon as possible.
- **Necessary forms or additional supporting documentation can be uploaded to: <https://thehartford.com/mybenefits>.**
- Once The Hartford receives any documentation, the review process could take up to 5 business days after the receipt of that information before any determination can be made.

10. SUBMIT YOUR FITNESS FOR DUTY FORM to eSERVICES & REPORT YOUR RETURN TO WORK

- **Provide a Fitness for Duty Form from your treating physician, approving a return to work and specifying any physical restrictions or limitations.** The Fitness for Duty Form must be submitted to eservices@inova.org or faxed to 703-205-2144 no later than 2 days prior to the actual date that you will return to work.
- **Failure to provide your Fitness for Duty will delay your return to work and updates to your employment status in Oracle.**
- **Notify your Team Leader and HRBP of your exact return to work date** so your employment assignment can be returned to Active Payroll Eligible status and your access to Inova systems is reactivated. All changes should be made in Oracle by your Team Leader and cannot be predated.

11. MAKE CHANGES TO YOUR BENEFITS COVERAGE

- **Contact the Inova Benefits Center at: 877-466-8201; or online at www.myinovabenefits.org:**
 - **To enroll your new child:** You will need to add your child to medical coverage within 60 days from the date of birth / adoption / legal guardianship. If you do not make changes within 60 days, you must wait until the next benefits Annual Enrollment period.
 - **To update Healthcare and Dependent Care Flexible Spending Accounts:** Make changes within 30 days. Contributions will be suspended while on paid or unpaid LOA. Upon return to work, contact the Inova Benefits Center to have your FSA contribution amount recalculated to account for missed deductions and to ensure you reach your annual goal amount.
- You may also consider electing/changing:
 - **Flexible or Healthcare Spending Accounts (FSA or HSA):** Set aside pre-tax payroll deductions to pay for qualified expenses. Inova also offers a Dependent Care FSA to help pay for expenses associated with adult and child day care center, preschool, and before/after school care for eligible children and adults. Make changes within 30 days of your qualifying event.
 - **Beneficiary Designations:** Update your beneficiaries including, but not limited to the following benefit plans:
 - **Life and/or AD&D insurance**
 - **401(k) / 403(b) Plans:** Visit Fidelity netbenefits.com
 - **Special Discounts through BenefitHub:** Discounts to products and services provided for children and family can be found on <https://inova.benefitHub.com>

12. GET ANSWERS TO YOUR QUESTIONS PRIOR TO & DURING LOA

- For questions related to your FML/IML/STD/PPL claims, contact The Hartford directly at: 888-301-5615 or go to: <https://thehartford.com/mybenefits>
- For HR related questions, please reach out to Inova HR eServices at: 703-205-2166 or email: eservices@inova.org
- For Benefits information, refer to the Inova Benefits Center by calling 877-466-8201 or go to: <https://www.myinovabenefits.org/>
- For more details on Inova's **Disability and Medical-Related Leave Programs** refer to Inovanet →Policystat and for **Time Away and Family & Medical Leave** information, please refer to Work/Life→Time Away Programs or Family & Medical Leave on the Inova Benefits portal at this link: <https://www.myinovabenefits.org/>
- Keep the **Inova Important Resources & Contact information** (page 3) on-hand to refer to while on LOA.
